Lungley Gallery presents *How Can I Remind You* a group exhibition of recent works by Victoria Adam, Elliot Jeffries, W.K.Lyhne, Kiarash Khazaei and Harley Kuyck-Cohen.

The emphasis throughout the exhibition is on the small-scale, the handmade and the unforeseen. The works range from mixed media compositions to drawings and paintings in which juxtaposition and dissonance are guiding ideas.

Materials drawn from our everyday life are assembled into semi-abstract compositions. Reality is reconstructed into poetic fragments while retaining a sense of the undifferentiated 'stuff' of life, mass produced and ephemeral.
